Subject: Choice Matters: Say NO to the Bank of Wal-Mart

Please attend the Bank of Wal-Mart hearing. It's too important to pass up.

Wal-Mart destroys the businesses in its community. I, on the other hand, want to choose between several banks, not just Wal-Mart. I have already made a choice to avoid the Wal-Mart and Sam's Clubs in my area, and I expect choice when it comes to financial institutions as well.

Wal-Mart would only drive away good local banks. Furthermore, its history of lawlessness means that it cannot be trusted - certainly not with my money!
